2009 Price List

We understand that choosing work wear or corporate clothing can be difficult, and with so many brands and styles to choose from, the task may seem daunting.
Suggestions for popular and hardwearing brands and styles.

With this in mind, here are a few of our general recommendations
If it's basic, good quality work wear you require, then the Kustom Kit brand offers exceptional value and comprehensive styling. The KK400 and 403 being our best selling polos and to complement them

Jerzees 762M sweatshirt offers exceptional colour choice. The Hanes range also offers excellent choice across 20 styles in 10 colours.

For office wear and confident styling, then the Russell Collection offers a complete range to choose from, for both ladies' and men's requirements. Again, the Kustom Kit range offers exceptional quality and value and has a complete range of garments specifically designed for bar staff. Fruit of the Loom and Dickies also offer ranges of office wear which combine quality with value and ensure that the catalogue range on offer is complete and comprehensive.

Those looking for protection against the elements, should look no further than the range of well styled and professionally crafted fleeces from Result and Regatta. From Result, the R33X and R36X are excellent active fleece jackets in full or quarter zip options. Regatta is a popular and proven brand for outdoor wear and their Thor fleeces offer good colour choice and quality along with interactive options with their jacket range which can cater for any budget. The TRF532 / 541 available in men's, women's and children's sizes and up to 4XL across 10 colours, should satisfy all demands from a fleece.

Result also offer a full range of caps along with our most popular brand; Beechfield. The B10 being the best basic use cap, available in 23 colours, 100% cotton twill, one size fits all.

There are Manpacks available in male and female options for a budget £79.95 (plus Vat). These contain:

5 x polo, 2 x sweatshirt, 1 x cargo trousers, 1 x fleece, 1 x Hi viz vest.

Manpack prices includes set up / origination costs and embroidery.

All prices all plus VAT at the current rate.

Lead time is usually 7 days from receiving usable artwork.

Most customers find a telephone call the best way to start the order process where you can "talk the job through"
